

Topaz SignatureGem LCD 1x5 Scanner

Part No. AH-1030

Add Extra Security with Signature Capture

Visitors Electronically Sign Agreements

Add extra security to your facility by requiring visitors to read agreements, i.e. a non-disclosure, and sign on an electronic signature capture pad.

Signatures are stored in PassagePoint and can be printed on badges and reports. The 1" x 5" includes high-quality electronic signature pad capture with the added feature of an LCD interactive display.

Features & Benefits

- Rugged signing area for long life.
- Large signing area for easy usability.
- Lightweight for portability.
- Expedited customer registration process.
