

Honeywell Hyperion 1300g Scanner

Part No. AH-1091

Linear-Imaging Scanner

Scan Bar Codes for Easy Check in/out

Honeywell's Hyperion 1300g linear-imaging barcode scanner features an ideal balance of performance, best-in-class durability and ergonomics to provide years of hassle-free scanning. Fast intuitive reading of 13 mil barcodes out to 18 inches, as well as reading of high density barcodes as small as 3 mil are both enabled in a single linear imager. Includes flex neck stand.

Specifications

Dimensions: (LxWxH) 5.9" x 4.4" x 3.1"
Weight: 5.6 oz

Manufacturer Warranty:
5-year factory warranty

Scan pattern: single line
Motion Tolerance: 20 in per second
Scan Rate: Up to 270 scans per

Print Contrast: 20 % minimum
reflective difference
Decode Capabilities: reads standard
1D and GS1 Databar Symbolgies

Features & Benefits

- Superior hand-held scanning – increases throughput by offering intuitive and aggressive hand-held scanning performance.
- Highly versatile – ability to read out to 18 inches on 13 mil bar codes, as well as reading of high density bar codes as small as 3 mil.
- Class-leading durability – reliable design that utilizes no moving parts and full impact resistance bumpers.
- Comfortable, ergonomic design ensures operator comfort and productivity.
- Automatic interface detection supports all popular interfaces in one device.
