

Topaz SignatureGem LCD 4x5 Scanner

Part No. AH-1032

Add Extra Security with Signature Capture

Visitors Electronically Sign Agreements

Add extra security to your facility by requiring visitors to read agreements, i.e. a non-disclosure, and sign on an electronic signature capture pad.

Signatures are stored in PassagePoint and can be printed on badges and reports. The 4" x 5" screen allows for both the signature capture and the actual display of a company Non-Disclosure Agreement on screen.

Features & Benefits

- Rugged signing area for long life.
- Large signing area for easy usability.
- Lightweight for portability.
- Expedited customer registration process.
