

Epson WorkForce Inkjet Printer

Part No. AH-1010

Quickly Print Color Visitor Badges with an Inkjet Printer

The Epson WorkForce Inkjet Printer is a powerful, high performance printer that can blaze through badge printing at speeds about two times faster than competitive printers. With impressive print results, this Epson printer delivers laser quality text and brilliant color photos.

With its small, compact design, its sure to meet your visitor management needs. Has dual black ink cartridges making it more budget-friendly than other inkjet printers, yet still delivering high performance whether printing 1 badge for a single visitor or 100 badges for a group of visitors.

Features & Benefits

- Save time - ISO print speeds of 16 ISO ppm (black and 5.5 ISO ppm (color)
- Get twice as much, twice as fast - Faster text printing with dual black ink cartridges
- Reliable paper feed - eliminates waste and saves badge stock
- Replace only the color ink cartridge needed - easy-to-use, individual ink cartridges
- Instant-drying inks give you the ability to quickly distribute badges, worry-free
- Save energy - uses up to 3x less power than typical laser printers
